Helgi hrafnfæðir - Appeal of Laurel Return of Badge. *Fieldless, two ravens rising respectant sable maintaining between them two spears in saltire proper.*

The submitter's previous submission of the same badge was returned by Laurel on the October 2014 LoAR for conflict:

This badge conflicts with the device of Thorfinnr inn vegsvinni Ingason: *Argent, two falcons rising wings addorsed respectant, maintaining between them a stone sable.* There is only one difference for fieldless versus fielded design. The posture is similar and no difference is granted for the conjoining of the birds or the maintained charges.

The submitter asks that the badge be reconsidered under the new ruling that maintained charges can count for difference.

Badge approved and forwarded to Laurel.
